

Service Agreement

This agreement authorizes Utility Cost Solutions Inc. (UCS) to pursue refunds and bill reductions on your below named organization's (Organization) utility bills, i.e. natural gas, fuels, electricity, water, and sewer. After auditing your Utility Bills and history, UCS shall make utility bill savings recommendations to your Organization and only upon your approval implement them. The following payment clauses apply to those approved recommendations for which a bill reduction has taken place or is obtained through UCS's efforts.

- i. If UCS is successful in precipitating a refund for your Organization, whether the recommendation(s) is/are implemented by UCS, or otherwise, your fee obligation is one-half (50%) of the refund, payable when a credit has been applied to your utility account or a check has been issued to your Organization.
- ii. If UCS is successful in precipitating future one-time or ongoing utility bill reductions, whether the approved recommendations are implemented by UCS, or otherwise, your fee obligation is one-half (50%) of those savings for a period of Thirty-Six (36) months. This ongoing obligation will be payable only after your Organization receives the utility bill savings each month net thirty days.

(s), I accept the forgoing agreement and commission the services of **UCS**.
